# VIRGINIA'S NEW RIVER TRAIL CHALLENGE

The Virginia New River Trail Challenge race coordinators would like for you as a participant to provide us with suggestions and comments that would help us plan and improve the Virginia New River Trail Challenge for 2005. The input from you as a participant is the most important part of the planning process as we prepare for future races. Please take the time to fill out the survey and mail to us at your convenience.

Please respond to each question. Thank you.

Circle one:      1.      Male participant      Female participant

2.      Individual participant      Team participant

Age Group:      3.      18 - 29      30 - 39      40 - 49      50 & UP

4. How would you feel having all the transition areas located in a central area to eliminate travel by participants support crews and race volunteers? If so what suggestions do you have?

5. What are your opinions of the starting line area and the start of the race? What changes if any, would like to see made to this area?

6. Do you feel the bike/canoe transition and the canoe/run transition areas are satisfactory? If not, what areas need to be addressed in future races.

8. Do you as a participant feel satisfied with the current method of how the race awards are presented to the participants? If not, what modification should be made?

Please make any additional comments or recommendations about the Virginia New River Trail Challenge: Please use back of form if needed.

Please mail to or leave with any race official
